City of Dublin Service Requests - Want to report an issue on the go? GoDublin, the City of Dublin's mobile app, makes reporting issues and improving neighborhoods easier than ever.

Curbside Chipper Service - The city's chipper service helps residents remove trees and shrub trimmings from their property. All trimmings must be placed within six feet of the curb, or at the end of the driveway, not in the street. Residents must schedule through the online service request tool - Go Dublin, or by calling the hotline at 614-410-4780 (24 hours per day).

Fall Leaf Collection - Collections take place on a bi-weekly schedule. Please refer to the city's website for details. Rake leaves curbside to the grassy area between the street and the sidewalk or the curb. Never put leaf piles in the street. Leaves left in the street can be washed down storm drains where they can cause algae and impact local water quality. www.DublinOhioUSA.gov/leafgo
